FANFARO F-40

5100

FANFARO F-40 Lubricant is universally applicable, it lubricates, cleans and prevents corrosion on all surfaces as well as on moving parts of any kind. It displaces moisture, removes rust and soiling, prevents short circuits and leakage currents, protects surfaces against corrosion and ensures smooth running of hinges. It is neutral towards rubber, plastic, varnish and metal surfaces. Clean the surface. Spray from 20 cm distance on surface and let it soak in.

PACKAGES (ARTICLE NUMBER):

450 ml (FF5100)
